Change Your Mindset

Here are some ways to help you stay positive when school is tough:

Instead of: I'm not good at this.

Try: What am I missing?

Instead of: This is too hard.

Try: This may take some time and effort.

Instead of: I give up.

Try: I'll use some of the strategies I've learned.

Instead of: It's good enough.

Try: Is this really my best work?

Instead of: I made a mistake.

Try: Mistakes help me improve.

Instead of: I can't make this better.

Try: I can always improve!

Nurse's Corner

It's important to have good Attendance, to make good grades and be successful in school. In order to do that we all have to stay healthy. Wash your hands frequently to prevent the spread of germs. If you can't wash your hands use hand sanitizer. If you are sick and running a fever, you have to be fever free for 24 hours before returning to school. We want you here, but if you are here and sick, you may spread germs and make others sick. Remember to cough into your elbow! Please try your best to prevent the spread of germs. Be happy and stay healthy,
-Nurse Tiffany

April 25 is *Administrative Professional Day*. Thank you Ms. Buitenhuis, Mrs. Garza, Mrs. Henderson, and Mrs. Heald for all you do!

Yearbook

Band Results

The Flour Bluff Junior High Bands went to UIL Concert/Sightreading Contest on March 6th and 7th. The Concert Band earned a second division on stage and in sightreading and was one of only two bands to enter in the Sub-Non-Varsity category. The Symphonic Band earned a first division rating from all judges on stage and a second division in sightreading. The Honors Band also earned first division from all stage judges and a second division in sightreading (which was the highest rating in their division). Sightreading was much tougher this year than in past years, but we are so proud of our students and their hard work! They did a great job representing Flour Bluff!
