

Flour Bluff Junior High Parents/Guardians:

The 2018-2019 Junior High Campus Handbook is now available on the Junior High campus website. If you are unable to access the handbook online, printed copies are available at the campus.

The 2018-2019 Junior High Campus Handbook includes a change to the campus' locker/backpack policy. This new policy has been implemented to ensure the safety and security of all students. Below is the new locker/backpack policy:

***LOCKERS/BACKPACKS***

***Students are issued lockers. Students are allowed to go to their lockers before school and between classes each day. Students are NOT permitted to carry large backpacks into the classroom. Backpacks need to be clear or mesh.***

During the first few weeks of school, campus staff will be lenient and understanding as students become accustomed to the new policy and transition to the use of clear or mesh backpacks.

We appreciate your continued support as we work to increase safety measures currently in place.
