Library News:

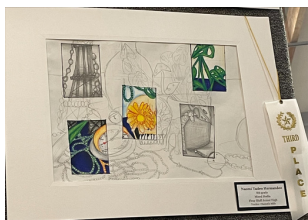

Extra! Extra! Read all about it! This cold wintry month calls for some hot tea. January's Reading Challenge requires you to put on your journalist hat. Read a novel that takes place during the winter, then use the newspaper template to create your own front page worthy book teaser to share. Your goal is to entice as many people as possible to read based on your teaser. Templates can be found in the Library, on Google Classroom (PCJPYRC), or you can create your own! Bring your finished project to the Library for your white duck and a treat.

Art Show News:

Several Art students participated in the Port Aransas Art Show. Congratulations to the following students:
Naomi Tadeo Hernandez-3rd place
Liam Wilke-honorable mention

Nurse's Corner:

- Students sent home by the nurse may not return to school for a full 24 hours after they have vomited, have had diarrhea, and/or a fever. With it being Flu season please ensure that your child is well and not vomiting, running fever, or having diarrhea before reporting to school daily.
 - The Nurse's Office would greatly benefit from small snack donations. There are days that the kids need a little something to tide them over until lunch time. This hunger can often lead to stomach aches which disrupts the students learning, having a small snack could help get the kids back into class in a timely fashion. Crackers, pretzels, goldfish, cheese/peanut crackers are perfect for hungry bellies.
 - Students are not allowed to bring any medications to school under any circumstances. This is a serious offense and there are serious consequences. Parents are required to bring all medication in and fill out a medication administration form.
 - The mornings and evenings are cooler, and the school can get very cold so please make sure that your student is dressed appropriately.
 - If you have any questions or concerns, please contact me at 361-694-9388.
- Nurse Mallory
