Be Happy

Library News:

Things are getting scary and even a little hairy this month. Your October Reading Challenge is to read a book with a monster as either a main character or topic, and then... you'll make a monster mask (A monster mask!) The mask needs to capture the essence of the monster from your book. Bring it to the library with a brief explanation of your mask design. Not only will you earn your duck with a witch hat, but you'll also get an invitation to our exclusive MASK-erade Ball that takes place on October 31st during Advisory!
