Positivity Project:

This month's Characteristic Traits for the Positivity Project are Kindness and Supporting others when they struggle.

AROUND CAMPUS

Counselors' Corner:

-In November, Anchored 4 Life celebrated "World Kindness Day" November 13th by using sidewalk chalk to write kindness quotes around campus and "Real Talk" covered the topic of "Making Friends" during lunch shifts.

-The A4L topic of the month in December is "moving."

"What you can do today can improve all of your tomorrows." -Ralph Marston

-Crochet Club gifted Mr. Wallace a crocheted University of Texas beanie in honor of Principals Month in October.

-Mrs. De Leon, Ms. Vargas & Mr. Reyes

Toy Drive:

LOTC in partnership with Anchored4Life is holding a Toys for Driscoll Kids drive starting November 27th and ending December 14th. Please donate a new, unwrapped toy at either of the two drop off boxes located by the front office and the LOTC classroom, room 729 (end of the 700 hall). The age groups are from toddlers to teens and any gift would be greatly appreciated.

Library News:

Dashing through 'til break! This month you'll be able to read anything you'd like while you do daily reading activities, like reading in a blanket fort or reading to your pet. Come by the library to grab your activity calendar and something to read. When you turn in your challenge form, you'll get the green duck and some candy. Ask Mrs. Chouinard how you can earn the limited-edition Santa duck!

Nurse's Corner:

-Please update Nurse Mallory on any health condition changes for your student.

-If your student has a vaccine waiver, please review it to ensure it will not expire, resulting in unenrollment from school.

-Flu season is here. Please ensure that your child is well before coming to school daily. Vomiting, fever, and diarrhea all require a student to be symptom free for 24-Hours without the use of medications.

-Students are not allowed to bring any medications to school under any circumstances. This is a serious offense and there are serious consequences. Parents are required to bring all medication in and fill out a medication administration form.

-The mornings and evenings are becoming cooler, and the school can get very cold so please make sure that your student is dressed appropriately.

-All Vision and Hearing screening referrals have been sent home. If your student failed an assessment, the referral needs to be addressed with a provider and returned to Nurse Mallory ASAP.

If you have any questions or concerns, please contact me at 361-694-9388.

-Nurse Mallory

Academic Team Results:

On November 9th, our Intermediate and Junior High Hornets traveled to Mission, Texas to compete against some of the best UIL teams in Texas. Once again our Hornets dominated the competition, winning both 7th and 8th Grade Sweepstakes and all 4 TMSCA Team Trophies in Science, Number Sense, Calculator Application, and General Math. Although there wasn't an award ceremony I took a picture of the trophies and ribbons our students received. If you're counting we had 42 students in the top 3 in their event and another 68 students in places 4th through 10th and five 1st place team trophies. We swept the top 3 places in Number Sense and General Math in all 3 grade levels.
