AROUND CAMPUS

Nurse's Corner:

- Make sure that your student drinks plenty of water when out in the heat to prevent dehydration. Also, they need to be dressed appropriately for outdoor activities (i.e. no hoodies/sweaters on while outside).
 - Remind students that they need to eat breakfast and lunch. Numerous students complain of headaches/stomachaches throughout the day, and it is usually related to not eating breakfast/lunch.
 - The end of the year will be here soon. Please make note, medications MUST be picked up from my office by a parent/guardian NO LATER than 11:30 A.M., Thursday, May 29, 2025. All medication not picked up by the designated time will be disposed of accordingly. If you have any questions, you can email me at mcaraway@flourbluffschoools.net.
 - Check your student's vaccine waiver/vaccine records for compliance for the 2025/2026 school year. If vaccine waivers/vaccines are missing the student may not be allowed to start school in August.

TMSCA Results:

On March 29th our Flour Bluff Hornets traveled to San Antonio to defend our TMSCA state championship for the 40th time. I am proud to say that not only did we win but we swept all 4 events winning the Sweepstakes by nearly 1100 points. We had a grand total of 32 out of a possible 60 top tens in 7th and 8th grade math events. We had the individual state champion in 5 out of 8 events in 7th and 8th grade. Of special note please high five Angela Li and Alice Liu state champion in 2 events and Olivia Zuo state champion in 1 event. I couldn't have been prouder of this group of students. Our 8th graders have had the most dominating 3 years that I can remember and they will be missed.
