## Library News:

Extra! Extra! Read all about it! This cold wintry month calls for some hot tea. Read a novel that takes place during winter, then use the newspaper template to create your own front page worthy book teaser to share. Your goal is to entice as many people as possible to read based on your teaser. Come by the library to pick up your template. You will be rewarded with

a penguin.

## Nurse's Corner:

-All Vision, Hearing, and Spinal Screenings have been completed. If you have received a referral for your student, it is imperative that they are returned ASAP.

-Students sent home by the nurse may not return to school for a full 24 hours after they have vomited, have had diarrhea, and/or a fever. With it being Flu season please ensure that your child is well and not vomiting, running fever, or having diarrhea before reporting to school daily.

-Students are not allowed to bring any medications to school under any circumstances.

This is a serious offense and there are serious consequences. Parents are required to bring all medication in and fill out a medication administration form.

-The mornings and evenings are cooler, and the school can get very cold so please make sure that your student is dressed appropriately.

-If you have any questions or concerns, please contact me at 361-694-9388.
