Change Your Mindset

- Here are some ways to help you stay positive when school is tough:
- Instead of:* I'm not good at this.
Try: What am I missing?
 - Instead of:* This is too hard.
Try: This may take some time and effort.
 - Instead of:* I give up.
Try: I'll use some of the strategies I've learned.
 - Instead of:* It's good enough.
Try: Is this really my best work?
 - Instead of:* I made a mistake.
Try: Mistakes help me improve.
 - Instead of:* I can't make this better.
Try: I can always improve!
