### Nurse's Corner

The Texas Department of State Health Services is requiring all students must be up to date on shots whether remote learning or planning to come in person. Students entering the 7th grade must have the meningococcal vaccine and TDAP vaccine if it has been 5 years since the last tetanus vaccine. Parents if we have reached out to you, please get that information and or vaccine needed and email Nurse Amy at [athornton@flourbluffschoools.net](mailto:athornton@flourbluffschoools.net) with updated shot record as soon as possible. Please continue to stay safe, wear a mask and social distance. It is also important to eat lots of fruits and vegetables and drink lots of water. Also remember that you should be moving around and exercising daily.  
-Thank you, Nurse Amy
