Math/Science Team Results

Flour Bluff Junior High and Intermediate Math and Science students competed in a state wide 5a Texas Math/Science Association Qualifier meet. Over 1000 students from across the state competed this day so the competition was very strong. I am proud to say that our Hornets did an amazing job winning 3 of 4 Team trophies and winning the overall sweepstakes by over 1000 points. Our amazing Hornets took home 7 of 12 possible 1st place individual events. We also had 37 students get a score in the top 10 in their event. If you see Nathaniel Puumala around please give him a big high five for winning all three of his individual events. Team and Individual Results are below.
