Nurse's Corner

Cold, flu and allergy season is coming soon. We want to keep you all healthy here at school so that you can be successful. Please make sure you are washing your hands frequently. Also make sure you cough into your elbow. Please throw all Kleenex in the trash and do not leave your germs laying around for others to have to pick up or touch. If you have any medications that you take, your parents are welcome to bring them to the nurse's office and sign a medical release form in order to take them as needed at school. The medication has to be in its original bottle and the directions and age have to be appropriate for each child.
